SUNSEEKER 155 YACHT

SUNSEEKER YACHT

Style: Tri-deck luxury yacht

Accommodation: Up to 12 guests and 10 crew members

Tender and toys: Garaged

Drives: Shafts

Performance: Up to 26 knots

The new flagship tri-deck 155 Yacht is now in build, and the first is set to splash in 2014. With a 4500 nautical mile range, this is the first ever semi-displacement, round bilge and long keel hull from Sunseeker, and the 155 presents the top European yards with a very real challenge.

Taking the concept of series building with personal customisation a step further than others, the modular composite build methodology allows owners a virtual freehand not just in the interior but in the design of the actual superstructure, from classic to futuristic, from North American to Mediterranean to Asian styling.

Sliding in just below 500 gross tonnes, her RINA commercial and MCA LY2 coding keeps costs of commercial operation within bounds. With inset ship's balconies, transverse garaging of tenders and toys, and a very private megayacht beach club with lower deck dayroom, folding platform and tender docking, there's a great deal of innovation throughout. And for those who like statistics, she's more than 40 per cent bigger in interior volume than the previous flagship 40 Metre Yacht.
